Be the first Inside Sales Representative to purchase \$50,000 in Heat Transfer Products in 2008 and win a 2008 Custom Ruger 22LR with scope.

For the first inside sales representative that releases heat transfer orders totaling \$50,000; that an outside rep did not initiate or get credit towards their goal, will total for the inside rep quota. And we all know who really closes the order. Nothing says an inside sales rep can't compete for the shot gun with orders for accounts not assigned to outside reps.
